

Sharing your Research- ‘Elevator speech’

The elevator pitch is the most powerful and concise description of you, your academic interests, or your research project.. It answers five basic questions, and it encourages the listener to request, "Tell me more."

My Elevator Speech	Name:	Date:
The parts of my elevator speech		My ideas
Who	I am a _____ My name is _____	
What	Currently I am studying _____ I am doing a research project about _____	
When	I decided to pursue a degree in _____ when I was _____ I started on this research project _____	
Where	I am conducting research in the department of _____ with _____ I conduct my research in/at (location) _____	
Why	I am pursuing this research because _____ My research is significant because _____	
The three main points about my research I want to get across		My ideas
